

## Life Is Too Short - Scorpions

F#m  
have you ever seen the mourning  
E  
when the sun comes out the shore  
F#m  
and the silence makes  
E  
a beautiful sound

F#m  
have you ever sat there waiting  
E  
for the time to stand still  
F#m  
for all the world to stop  
E  
from turning around

A            E            F#m  
and you run cause life is too short  
and you run cause life is too short

D  
There's a time that turns  
A  
I'd turn back time  
E  
But I don't say I can  
F#m                    E  
It only works if you believe in the truth  
D  
Well there's a time to live  
A  
And a time to cry  
E  
But if you're by my side  
F#m  
I will try to catch a star  
I'll try to catch a star  
E  
Just for you
