Verse 1 (Play the arpeggiated intro as above - Bm, Csus2, D):

I saw the morning  
It was shattered by a gun  
Heard a scream, saw him fall, no one cried  
I saw a mother  
She was praying for her son  
Bring him back, let him live, don't let him die

Chorus:

Em	A	
Do you ever ask yourself		
	F#m	Bm
Is there a Heaven in the sky		
Em	A	
Why can't we get it right		
D		F#m
'cause we all live under the same sun		
D		F#m
We all walk under the same moon		
Em Bb		D
Then why, why can't we live as one		

Verse 2 (Strum the intro chords, may try C instead of Csus2):

I saw the evening  
Fading shadows one by one  
We watch the lamb, lay down to the sacrifice  
I saw the children  
The children of the sun  
How they wept, how they bled, how they died

Chorus:

Do you ever ask yourself  
Is there a Heaven in the sky  
Why can't we \_stop the fight\_

'cause we all live under the same sun  
We all walk under the same moon  
Then why, why can't we live as one

Bridge:

Bm G  
Sometimes I think I'm going mad  
Bb C D  
We're loosing all we had and no one seems to care  
Bm G  
But in my heart it doesn't change  
Bb C D  
We've got to rearrange and bring our world some love

Solo:

Bm - A - G#m - G

Outro: (Same chords as chorus)

And does it really matter  
If there's a heaven up above  
We sure could use some love

'cause we all live under the same sun  
We all walk under the same moon  
Then why, why can't we live as one  
'cause we all live under the same sky  
We all look up at the same stars  
Then why, tell me why can't we live as one
