Lyrics

Do you think i'm faking, when im lying next to you  
Do you think that i am blind, nothing left for me to lose  
Must be something on your mind, something lost and left behind  
Do you know i'm faking

Do you know i'm faking, when im lying next to you  
Do you know that i am blind, to everything you ever do  
Must be something on your mind, something lost, for me to find  
Do you know i'm faking

Then she told me she had a gun, it sounded like she'd used it  
Once before on him  
Then she told me she had a gun, it sounded like she'd used it  
Once before on him

I guess you know i'm faking, when i tell you i love you  
I guess you know that i am blind, to everything you say and do  
Must be something on my mind, there's nothing left for me to hide  
Do you know i'm faking

Then she told me she had a gun, it sounded like she'd used it  
Once before on him  
Then she told me she had a gun, it sounded like she'd used it  
Once before on him

We have to succumb to the feelings we can never face  
I need you, i breathe you, i can't go through this all again  
We have to succumb to the feelings we can never face  
I need you, i breathe you, i can't go through this

Then she told me she had a gun, it sounded like she'd used it  
Once before  
Then she told me she had a gun, it sounded like she'd used it  
Once before on him  
Then she told me she had a gun, it sounded like she'd used it

Once before on him

Then she told me she had a gun, She said she wants to used it

On me now
