

## To Leave - Sham Rain

Am Em  
i really have to leave now  
Am Em  
can't stay here anymore no more  
Dm Em  
we've come too far  
Dm Em  
not another day no more

Am Em  
there is no return  
Am Em  
no words to explain  
Dm Em  
no excuses left to make  
Dm Em  
there is no one to blame

nak.  
Am Em  
Blame....  
Am Em  
Blame..  
Dm Em  
there is no one to blame  
Dm Em  
there is no one to blame but me

Am Em  
i've lost myself  
Am Em  
and i lost you  
Dm Em  
things are not well i know you see it too  
Dm Em  
no they're not well i know you feel it too

Am Em  
there is no return  
Am Em  
no point of going on  
Dm Em  
all excuses that we made  
Dm Em  
there is no one to blame
