

Viva Forever - Spice Girls

Dm Am
Do you still remember how we used to be
A# F
Feeling together believe in whatever my love has said to me
Dm Am
Both of us were dreamers, Young love in the sun
A# F
Felt like my savior, my spirit I gave you, we'd only just begun

Chorus:

Dm Am A# F
Hasta maana, Always be mine
Dm Am A# F
Viva forever, I'll be waiting, everlasting like the sun
Dm Am A# F
Live forever, For the moment, ever searching for the one...

Dm Am
Yes I still remember every whispered word
A#
The touch of your skin, giving life from within
F
Like a love song never heard
Dm Am
Slipping through our fingers like the sands of time
A# F
Promises made every memory saved as reflections in my mind.

Chorus:

Dm Am
Back were I belong now, was it just a dream
A# F
Feelings unfold, they will never be sold and the secrets safe with me

Chorus until end.
