

Serenade - Steve Miller Band

Am Dm
Did you see the lights
G Am
As they fell all around you
Am Dm
Did you hear the music
G Am
Serenade from the stars

Am Dm
Wake up, wake up
G Am
Wake up and look around you
Am Dm
We're lost in space
G Am
And the time is our own

Em
Whoa, whoa
Am

Am Dm
Did you feel the wind
G Am
As it blew all around you
Am Dm

And it shines all around you

Am Dm

You're lost in space

G Am

And the earth is your own

Em

Whoa, whoa

Am
