## Hold On - Take That

```
We've been here many times before
Leaving rooms and slamming doors
We're climbing up the bedroom walls
Sometimes we make it so frustrating
I touch your mouth, I touch your lips
The answers at our fingertips
Not giving up or giving in
Why are we so complicated?

To make it all ok.

I don't wanna see you hurting
Just hold on
Just hold on to me
I don't wanna see you crying
So hold on
So hold on to me

So many truths, too many lies
Making love can be so crazy
I find myself back here again
Asking you to let me in
You know it's time, we need to change
How can we live with all these maybes?
