

Shine - Take That

D F#
You, you're such a big star to me
Am
You're everything I wanna be
G D
But you're stuck in a hole and I want you to get out

(D) F#
I don't know what there is to see
Am
But I know it's time for you to leave
G
We're all just pushing along
F#
Trying to figure it out, out, out.
G F# / G Em9
All your anticipation pulls you down
A
When you can have it all, you can have it all.

D A Em
So come on, come on, get it on
F# / G G
Don't know what you're waiting for
A
Your time is coming don't be late, hey hey
D
So come on
A Em
See the light on your face

Let it shine
Cadd9 G
Just let it shiiiiiiiiiiiiiiiiine
D
Let it shine.

[Same as the first verse]
Stop being so hard on yourself
It's not good for your health
I know that you can change
So clear your head and come round
You only have to open your eyes
You might just get a big surprise
And it may feel good and you might want to smile, smile, smile.

G F# / G Em9
Don't you let your demons pull you down
A

Let it shine
Cadd9 G
Just let it shiiiiiiiiiiiiiiiiine
D
Let it shine.
