```
And I'm tired of being last to know
And now you're asking me to listen
Cause it's worked each time before
                   Bm G
But you don't have to call anymore
I won't pick up the phone
          Bm G
This is the last straw
          D A
Don't wanna hurt anymore
          Βm
And you can tell me that you're sorry
But I don't believe you baby
     D
Like I did - before
         Bm G D A
You're not sorry no no ohhh
         Bm G D A
You're not sorry no no ohhh
Bm G D A x2
You had me falling for you honey
And it never would've gone away, no
          Bm
You used to shine so bright
But I watched all of it fade
                  Bm G
  Α
So you don't have to call anymore
      D
I won't pick up the phone
          Bm G
This is the last straw
           D
There's nothing left to beg for
And you can tell me that you're sorry
But I don't believe you baby
Like I did - before
         Bm G D A
You're not sorry no no ohhh
         Bm G D A
```

You're not sorry no no ohhh
