I Was A Fool - Tegan And Sara

```
Do you remember I searched you out?
How I climbed your citys walls
       F
Do you remember me as devout?
How I prayed for your calls
Am G
        F
I stood still
Its what I did
Am G C
Love like ours just never fits
               G
I stuck around
      F
I did behave,
         G
Saved you every time.
     F
I was a fool for love
       G
I was a fool for love
       F
I was a fool
      F
I was a fool
(piano part) Am F G
Am
           F
Then you blamed me and blocked me out
How long did you think Id last?
Am
          F
                           G
Then you disappeared for weeks to pout
How many times could I pack?
Am
    G
         F
But stand still is all I did.
Am G C
Love like ours just never fits
F
So I stuck around
I did behave,
           G
Saved you every time.
       F
I was a fool for love
```

```
I was a fool for love
    F G
I was a fool
    F G
I was a fool

F
If youre worried,
    G
That I mighta changed
```
