Boys Don't Cry - The Cure

```
INTRO: A Bm C#m D D C#m Bm A x4
Α
I would say I'm sorry
    C#m
If I thought that it would change your mind
But I know that this time
      C#m
I have said too much
  D
        C#m
Been too unkind
       Bm
I try to laugh about it
C#m
                   Bm
                          C#m
Cover it all up with lies
        Bm
I try to laugh about it
C#m
                    Bm
Hiding the tears in my eyes
         A Bm C#m
                        D D C#m Bm
'Cause boys... doon't cry
A Bm C#m D D C#m Bm
Boys don't cry
                 Bm
I would break down at your feet
And beg forgiveness
Plead with you
But I know that
Bm
It's too late
   C#m
                               C#m
And now there's nothing I can do
          Bm
So I try to laugh about it
C#m
                            C#m
                  Bm
Cover it all up with lies
        Bm
I try to laugh about it
Hiding the tears in my eyes
          Bm
               C#m D D C#m Bm
'Cause boys don't cry
    Bm C#m D D C#m Bm
Boys don't cry

I would tell you
Bm
That I loved you
If I thought that you would stay
              Bm
But I know that it's no use
    C#m
That you've already
Gone away
              F#m F#m7
Misjudged your limits
               F#m F#m7
Pushed you too far
             F#m F#m7
Took you for granted
I thought that you needed me more, more, more
                 Bm
Now I would do most anything
To get you back by my side
But I just
Keep on laughing
Hiding the tears in my eyes
  A Bm C#m D D C#m Bm
Cause boys don't cry
A Bm C#m D D C#m Bm A
Boys don't cry
Bm C#m D D C#m Bm A
Boys don't cry
