I just want to see you

When you're all alone

I just want to catch you if I can

I just want to be there

When the morning light explodes

F#

On your face it radiates

E

I can't escape

B E B E

I love you 'till the end

I just want to tell you nothing

You don't want to hear

All I want is for you to say

Why don't you just take me

Where I've never been before

I know you want to hear me

Catch my breath

I love you 'till the end

I just want to be there

When we're caught in the rain

I just want to see you laugh not cry

I just want to feel you

When the night puts on its cloak

I'm lost for words don't tell me

All I can say

I love you 'till the end
