The Acoustic Song - The Red Jumpsuit Apparatus

```
G
               Dm
When I see your smile
Tears roll down my face
           Dm
I can't replace
And now that I'm strong I have figured out
how this world turns cold and it breaks through my soul
and I know I'll find deep inside me, I can be the one
I will never let you fall
I'll stand up for you forever
I'll be there you through it all
                   Вb
Even if saving you sends me to heaven
( Intro ... )
Seasons are changing and waves are crashing
and stars are falling all for us
days grow longer and nights grow shorter
                        Вb
I can show you I'll be the one
             С
I will never let you fall
I'll stand up for you forever
I'll be there for you through it all
                    Вb
Even if saving you sends me to heaven
Cause you're my
you're my, my....
my true love
```

```
my whole heart
please dont throw that away
cause I'm here for you
please don't walk away
please tell me you'll stay, stay...
Use me as you will
                           Вb
pull my strings just for a thrill
and I know I'll be okay
though my skies are turning grey
             С
I will never let you fall
I'll stand up for you forever
I'll be there for you through it all
Even if saving you sends me to heaven
             С
I will never let you fall
I'll stand up for you forever
I'll be there for you through it all
                    Вb
Even if saving you sends me to heaven
