

Green Grass - Tom Waits

Fm

Lay your head where my heart used to be

G Cm

Hold the earth above me

Fm

Lay down in the green grass

G Cm

Remember when you loved me

Fm

Come closer don't be shy

G Cm

Stand beneath a rainy sky

Fm

The moon is over the rise

G Cm

Think of me as a train goes by

Fm

Clear the thistles and brambles

And if the sky falls, mark my words

Cm

We'll catch mocking birds

Fm

Lay your head where my heart used to be

G

Cm

Hold the earth above me

Fm

Lay down in the green grass

Remember when you loved me
