Am D x2

(Just continue with the same chords through out the song)

There`s an insect in your ear
If you scratch it won`t disappear
It`s gonna itch and burn and sting
Do you want to see what the scratching brings

Waves that leave me out of reach
Breaking on your back like a beach
Will we ever live in peace?
`Cause those that can't do often have to
Those that can't do often have to preach

To the ones staring at the sun
Afraid of what you'd find
If you took a look inside
Not just deaf and dumb
Staring at the sun
I'm not the only one
Who's happy to go blind

Intransigence is all around
Military still in town
Armour plated suits and ties
Daddy just won't say goodbye
Referee won't blow the whistle
God is good but will he listen
I'm nearly great
But there's something I'm missing
I left in the duty free
Though you never really belonged to me

You're not the only one
Starin` at the sun
Afraid of what you'd find
If you stepped back inside
I'm not sucking my thumb
I'm staring at the sun
Not the only one
Who's happy to go blind

F F
Ah ah I
Ah ah I
Ah ah I
