An empty street, an empty house
            Δm
I hold inside my heart
I'm all alone, the rooms are getting smaller.
           G
                        Em
I wonder how, I wonder why, I wonder where they are
The days we had, the songs we sang together. (oh yeah)
   F G
              Am
And all my love, I'm holding on forever
Reaching for the love that seems soo far
C F
Soo I say a little prayer
And hope my dreams will take me there
                 C
Where the skies are blue, I'll see you once again... my love.
Overseas from coast to coast
To find the place I love the most
Where the fields are green, to see you once again... my love.
I try to read, I go to work
I'm laughing with my friends
But I can't stop to keep m'self from thinking. (oh no)
                       Em
I wonder how, I wonder why, I wonder where they are
The days we had, the songs we sang together. (oh yeah)
              Am
And all my love, I'm holding on forever
