An empty street, an empty house  
Em Am  
I hold inside my heart  
F G

F G  
The days we had, the songs we sang together.(oh yeah)

Dm F G Am F  
And all my love, I'm holding on forever  
Dm G  
Reaching for the love that seems soo far

C F C  
Soo I say a little prayer  
F C  
And hope my dreams will take me there  
Dm C G  
Where the skies are blue, I'll see you once again... my love.  
C F C  
Overseas from coast to coast  
F C  
To find the place I love the most  
Dm C G C  
Where the fields are green, to see you once again... my love.
