Every Little Thing That You Do - Westlife

Intro: $C - F - G \times 2$ Hello, let me know if you hear me F G Hello, if you want to be near Let me know, and I'll never let you go F Hey love, when you ask how I feel F I say love, when you ask how I know Dm Em F

I say trust and if that's not enough

It's every little thing you do

That makes me fall in love with you

There isn't a way2ehah I can show9y506a1.19 39 BT 31.19 4poi.19 6 (There isn't a w338

Ever since I come to know you

It's every little thing you say

26 to1F

```
Am
```

That makes me wanna feel this way

F

There's not a thing that I can point to

Cause it's every little thing you do

F G F

Is it your smile or your laugh or your heart?

G F

Does it really matter why, I love you?

3

Anywhere there's a crowd, you stand out,

G Am

Can't you see why they can't ignore you?

F

If you want to know

Αm

Why I can't let go

<u> -</u>

Let me explain to you

F

It's every little dream come true

G

And every little thing you do

D

It's every little thing you do

Вm

That makes me fall in love with you

G

There isn't a way that I can show you

Δ

Ever since I come to know you

D

It's every little thing you say

Bm

That makes me wanna feel this way

G

There's not a thing that I can point to

Α

Cause it's every little thing you do

D

It's every little thing you do

Bm

That makes me fall in love with you

G

There isn't a way that I can show you

Α

Ever since I come to know you
