## My Love - Westlife

```
Verse 1:
An empty street, an empty house,
A hole inside my heart
I'm all alone, the rooms are getting smaller
Verse 2:
I wonder how, I wonder why,
I wonder where they are
The days we had, the songs we sang together, oh, yeah
Bridge:
       Dm F G
And oh, my love, I'm holding on forever
                   F
Reaching for a love that seems so far
Chorus:
So, I say a little prayer
And hope my dreams will take me there
Where the skies are blue
To see you once again, my love
Over seas and coast to coast
             F
Find the place I love the most
Where the fields are green
             G
To see you once again, my love
Verse 3:
I try to read, I go to work,
I'm laughin' with my friends
                                 Dm
But I can't stop, to keep myself from thinking, oh, no
