Intro: Bm A G A Verse 1: BmIf only you could see the tears In the world you left behind G A If only you could heal my heart Bm Just one more time G Even when I close my eyes G Bm There's an image of your face G And once again I come to realise You're a loss I can't replace Chorus BmSoledad It's a keeping for the lonely Since the day that you were gone Why did you leave me Bm Soledad In my heart you were the only G And your memory lives on Why did you leave me BmSoledad Verse 2 Walking down the streets Of Nothing Ville Where our love was young and free Α Can't believe just what an empty place

Вm

It has come to be

 ${\tt G}$

I would give my life away

G

Вm

If it could only be the same

 ${\tt G}$

Cause I can't still the voice ins ETef ame

G

Why did you leave me
