All I Need - Within Temptation

```
intro: F#m F#m D E x2

F#m
I'm dying to catch my breath
D               E
oh why don't i ever learn
F#m                                    D
I've lost all my trust that i'm sure we try to
E
Turn it around

E               D               E
Can you still see the heart of me
                        D
all my agony fades away
E                               A
when you hold me in your embrace

A               F#m
Don't turn me down
            D
for all i need
                            E
make my heart a better place
            E7              A
give me something I can believe
                F#m
Don't turn me down
                D           E
you're far from the door now
                    F#m    F#m D E
don't let it close

He only had to go
I wish I could let it go
I know that I'm only one step away
From turning around

Can you still see the heart of me
all my agony fades away
when you hold me in your embrace

A               F#m
Don't turn me down
            D
for all i need
                            E
make my heart a better place
            E7                      A
```

```
give me something I can believe
                      F#m
Don't turn it down
                 D
what's left of me
                            E F#m
make my heart a better place

D            E                    F#m
i've tried many times but nothing was real
D      E    D
make it fade away
F#m    E   F#m E   E7 (emin degilim!)
don't break me down

D            E                     F#m
I want to believe that this is for real
D        E        D
save me from my fear
F#m    E   F#m E   E7
don't turn me down

A                F#m
don't turn me down
             D
for all i need
       E F#m D E A F#m D E E7
make my heart a better place

A                F#m
Don't turn me down
               D
for all i need
                          E
make my heart a better place
              E7                 A
give me something I can believe
                      F#m
Don't turn it down
                   D
what's left of me
          E               D
make my heart a better place
        E                 F#m
make my heart a better place
```
