Memories - Within Temptation

```
Intro: Am F Am F Dm Am G F Am
Αm
In this world you tried
Not leaving me alone behind
There's no other way
I'll pray to the gods: let him stay
           Em
The memories ease the pain inside
Now I know why
Chorus:
       F
All of my memories keep you near
    G Em Am
In silent moments, Imagine you here
All of my memories keep you near
            F Am
In silent whispers, silent tears
Made me promise I'd try
To find my way back in this life
Am
I hope there is away
To give me a sign you're okay
           Εm
Reminds me again
It's worth it all
         G
So I can go home
Chorus:
All of my memories keep you near
                 Em Am
In silent moments, Imagine you here
All of my memories keep you near
        G F Am
In silent whispers, silent tears
