

Shadow - Austin Mahone

C G
You walk into the room
Am
So perfect but unaware
F
Making me stop and stare
C G
Every time I heard he broke your heart
Am
Can I just fix you girl?
F
Show you a different world?

G Am
I'll take you anywhere
F C
I'll put you on a throne
G Am
I'll lay down my heart, I swear
F G
And I'll make sure that you'll never be alone

G

C G
Only my shadow knows
Dm F
How I feel about you
C G
Only my shadow goes
Dm F
Where I dream of you and me
Am G
Should I go or wait?
F C
Is it too soon, too late?
Dm F
Only my shadow knows
C
