

## Dear God - Avenged Sevenfold

Intro: F C Dm Am B F C x2

F C Dm Am  
A lonely road, crossed another cold state line  
B F C  
Miles away from those I love purpose hard to find  
F C Dm Am  
While I recall all the words you spoke to me  
B F  
Can't help but wish that I was there  
C  
Back where I'd love to be, oh yeah

F C Dm C  
Dear God the only thing I ask of you is  
B F  
to hold her when I'm not around,  
C  
when I'm much too far away  
F C Dm C  
We all need that person who can be true to you  
B F  
But I left her when I found her  
C  
And now I wish I'd stayed  
B C  
Cause I'm lonely and I'm tired  
\* Dm C B  
I'm missing you again oh no  
F  
Once again

F C Dm Am  
There's nothing here for me on this barren road  
B F  
There's no one here while the city sleeps  
C  
and all the shops are closed  
F C Dm Am  
Can't help but think of the times I've had with you  
B F C  
Pictures and some memories will have to help me through, oh yeah

F C Dm C  
Dear God the only thing I ask of you is  
B F

to hold her when I'm not around,  
                                   C  
 when I'm much too far away  
 F                  C                  Dm                  C  
 We all need that person who can be true to you  
                   B                                  F  
 I left her when I found her  
                   C  
 And now I wish I'd stayed  
                                   B                                  C  
 Cause I'm lonely and I'm tired  
   Dm          C          B  
 I'm missing you again oh no  
                                   F  
 Once again

Dm                                  B                                  F  
 Some search, never finding a way  
 Dm                                  B                                  F  
 Before long, they waste away  
 Dm                                  B                                  F  
 I found you, something told me to stay  
 Dm                  B                                  F  
 I gave in, to selfish ways  
 Gm  C  
 And how I miss someone to hold

when hope begins to fade...

F                                  C                                  Dm                                  Am  
 A lonely road, crossed another cold state line  
 B  F                                  C  
 Miles away from those I love purpose hard to find

F                  C                  Dm                                  C  
 Dear God the only thing I ask of you is  
                   B                                  F  
 to hold her when I'm not around,  
                   C  
 when I'm much too far away  
 F                  C                  Dm                                  C  
 We all need the person who can be true to you  
                   B                                  F  
 I left her when I found her  
                   C  
 And now I wish I'd stayed  
                                   B                                  C  
 Cause I'm lonely and I'm tired  
   Dm          C          B  
 I'm missing you again oh no  
                                   F

Once again
