

So Far Away - Avenged Sevenfold

Em
Never been for anything
Em
Never chained but never free

 G D
I lied to heal the broken love
 Bm C
With all that it could

Em
Live the life so endlessly
Em
Saw beyond what others see
 G D
I tried to heal your broken heart
 Bm C
With all that I could

C
Will you stay
D
Will you stay away forever?

Em G
How do I live without the ones I love?
Am Em D
Time still turns the pages of the book, it's burnt
Em G
Facing times always on my mind
 Am C D
I have so much to say but you're so far away

Em
Means a war of futures hold
Em
Foolish lies of grown and old
 G D
And seems we're so invincible
 Bm C
The truth is so cold

Em
A final song, a last request
Em
A perfect chapter laid to rest
 G D
Now and then I try to find
 Bm C
The place in my mind

C

Where you can stay?

D

You can stay awake forever!

Em G

How do I live without the ones I love?
