## Everything Back But You - Avril Lavigne

```
Today was the worst day
I went through hell
I wish I could remove it from my mind
Two months away from you
    Dm
But I couldn't tell
                Вb
I thought that everything was gonna be just fine
Dm
The post card that you wrote
with the stupid little note
Something wasn't quite right about it
It smelt like cheap perfume
Вb
And it didn't smell like you
There is no way you can get around it
because you wrote
Chorus:
I wish you were here
You left out me
Dm
You left without me
and now you're somewhere out there
F
with that bitch slut psycho babe
I hate you
why are guys so lame
Вb
Everything I gave you
                             F C Dm Bb
I want everything back but you
You first tried to tell me
```

```
Dm
all along
       Вb
that you weren't the right one for me
My friends tried to tell me
to be strong
I bet you didn't think that I would see
Dm
The post card that you wrote
with the stupid little note
Something wasn't quite right about it
Dm
I'd want to see you cry
Вb
like I did a thousand times
Now you're losing me you're losing me now
Because you wrote
F
I wish you were here
You left out me
You left without me
Вb
and now you're somewhere out there
F
with that bitch slut psycho babe
I hate you
why are guys so lame
Вb
Everything I gave you
                             F C Dm Bb
I want everything back but you
