Fall To Pieces - Avril Lavigne

```
C G F (x2)
I looked away then I looked back at you
You tried to say, things that you can't undo
     C
If I had my way, I'd never get over you
            G
Today's the day, I pray that we make it through
Make it through the fall, make it through it all
Chorus:
And I don't want to fall to pieces
I just want to sit and stare at you
I don't wanna talk about it
And I don't want a conversation
I just want to cry in front of you
I don't wanna talk about it cause I'm in love with you
       С
              G
You're the only one, I'd be with till the end
When I come undone, you bring me back again
Back under the stars, back to your arms
Chorus

Am C
I wanna know who you are
        Εm
I wanna know where to start
I wanna know what this means

I wanna know how you feel
I wanna know what is real
