## Here's To Never Growing Up - Avril Lavigne

```
Singing Radiohead at the top of our lungs
With the boombox blaring as we're falling in love
I got a bottle of whatever, but it's getting us drunk
Singing here's to never growing up
Call up all our friends
 Go hard this weekend
For no damn reason
I don't think we'll ever change
Meet you at the spot
 Half past ten o' clock
We don't ever stop
And we're never gonna change
Dm
Say
Won't you say forever
Stay
Won't you stay forever
Dm
Неу
We can stay forever young
