Hot - Avril Lavigne

```
G D Am
Aaaa Aaaa
                G D Am
You're so good to me Baby Baby
         D
                 Am
I wanna lock you up in my closet, when no one's around
            Am
I wanna put your hand in my pocket, because you're allowed
                  Am
I wanna drive you into the corner, and kiss you without a sound
            Am C
I wanna stay this way forever, I'll say it aloud
Now you're in and you can't get out
D
You make me so hot
Make me wanna drop
You're so ridiculous
I can barely stop
I can hardly breathe
You make me wanna scream
You're so fabulous
                G D Am
You're so good to me Baby Baby
                G D Am C
You're so good to me Baby Baby
       D
            Am
I can make you feel all better, just take it in
                 Am
And I can show you all the places, you've never been
                 Am
And I can make you say everything, that you never said
                 Αm
And I will let you do anything, again and again
Now you're in and you can't get out
You make me so hot
Make me wanna drop
You're so ridiculous
I can barely stop
```

I can hardly breathe
You make me wanna scream
