How Does It Feel - Avril Lavigne

```
I'm not afraid of anything
I just need to know that i can breathe
 I don't need much of anything
But suddenly, suddenly
Am
 I am small and the world is big
All around me is fast moving
 Surrounded by so many things
 But suddenly, suddenly...
[Chorus:]
           C G F
How does it feel, to be different from me
Are we the same?
                   G
How does it feel, to be different from me
Are we the same?
How does it feel?
Αm
 I'm young, and I am free
    Αm
 But I get tired, and I get weak

 I get lost, and I can't sleep
But suddenly, suddenly

Would you cry with me
