Remember When - Avril Lavigne

```
verse:
Remember whan I cried
to you a thousand times
I told you everything
you know my feelings
it never crossed my mind
that there would be a time
for us to say goodbye
          C
what a big surprise
but I'm not lost
      Αm
I'm not gone
I haven't forgot
chorus:
These feelings I can't shake no more
These feelings are running out the door
I can feel it falling down
and I'm not coming back around
These feelings I cant take no more
This emptiness in the bottom drawer
it's getting harder to pretend
and I'm not coming back around again
C G Am F
                       C G Am F
      remember when
```

Now Im alone again

Please say theres no regrets

I'm not gone
I haven't forgot
chorus:
These feelings I can't shake no more
These feelings are running out the door
I can feel it falling down
and I'm not coming back around
These feelings I cant take no more
This emptiness in the bottom drawer
