

Drowning - Backstreet Boys

A E
Don?t pretend your sorry i know your not
F#m D
you know got the power to make me weak inside
A E
girl you leave me breathless, but its ok
F#m D
you are my survival now hear me say

Bm D F#m
Cant imagine life without your love
F#m D E
even forever don?t seem like long enough
A E
F#m
cuz every time I breath to take you in, and my heart beats again
D A
baby I cant help it, you keep me drowning in your love
A E
F#m
and every time I try to rise above im swept away by love
D A
baby I cant help it you keep me drowning in your love

Maybe im a drifter maybe not
cuz im on the safety of floating freely in your arms
and I don?t need another life line its not for me
cuz only you can save me
cant you see

Bm D F#m D E
no one pull me under cover me with dreams
love your mouth to mouth now and you know i cant resist
cuz you?re the air that I breathe
