

## Never Gone - Backstreet Boys

F Dm  
The things we did, the things we said  
Am C  
Keep coming back to me and make me smile again  
F Dm  
You showed me how to face the truth  
Am C  
Everything that's good in me I owe to you

F Dm  
Though the distance that's between us  
Am C  
Now may seem to be too far  
F Dm  
It will never separate us  
Am C  
Deep inside I know you are

Chorus:

F Dm  
Never gone, never far  
Am C  
In my heart is where you are  
F Dm  
Always close, everyday  
Am C  
Every step along the way  
Dm Am C Dm  
Even though for now we've got to say goodbye  
Dm Am C Dm  
I know you will be forever in my life  
F  
Never gone

F Dm  
I walk alone these empty streets  
Am C  
There is not a second you're not here with me  
F Dm  
The love you gave, the grace you've shown  
Am C  
Will always give me strength and be my cornerstone

F Dm  
Somehow you found a way  
Am C  
To see the best I have in me  
F Dm

As long as time goes on  
Am C  
I swear to you that you will be

(Repeat chorus)

F  
Never gone from me  
F Dm  
If there's one thing I believe (I believe)  
Am C  
I will see you somewhere down the road again

(Repeat chorus)
