

## Wont Find It Here - Black Label Society

Am G6  
You say that you're down now  
F7 E - G  
Can't find a place to rest your head  
Am G6  
The leaves have all fallen  
F7 E-G  
And your garden is dead  
Am G6  
Turning your back now  
F7 E-G  
Ain't nothing left to say  
Am G6  
No need for tomorrow  
F7 E-G  
When you can't find today

Dsus2 F7  
When you can't find today, oh  
Dsus2 F7  
When you can't find today, oh  
Am G6  
Search all you want, oh  
F7 E-G  
Well you won't find it here, oh  
Am Dsus2  
Well the fortunes you seek, oh  
F7 E  
They were always right here  
G Am  
They were always right here
