Nakarat:

You opened my eyes

you make me believe

that there is a chance for a guy like me

You opened my eyes

you showed me someone that no one else has seen

You opened my eyes

you bring in the sun

you make me believe I am someone

You opened my eyes

to a whole new world for me

I was lost

and I was scared I was losing my mind

running away from myself all the time

'cause there was something I was waiting to find

ahaaa

There you were

the sky has send me an angel from above

you gave me strengt and you showed me how to love

for that I'm thankful for the rest of my life
