

Devils And Dust - Bruce Springsteen

D

I've got my finger on the trigger

D G

But I don't know who to trust

D

When I look into your eyes

A D

There's just devils and dust

D D

We're a long long way from home Bobbie

D G

Home's a long long way from us

D

Feel a dirty wind blowin'

A D

Devils and Dust

D G

I've got god on my side

D

and I'm just tryin to surviv2BT 31.19 451.66 Td 9yin to surviv2BT 31.19 451.66 Td 92s9

and the smell began to rise

G

we've got god on our side

D

and we're just tryin to survive

G

A

well if what you do to survive, kills the things you love

G

fear's a powerful thing,

D

it'll turn your heart black you can trust

G

it'll take your god filled soul,

A D

fill it with devils and dust

G

it'll take your god filled soul,

A D

fill it with devils and dust

(Harmonica) D D G G D A

D

Now every woman and every man

D G

They wanna take a righteous stand

G D

Find the love that god wills

A D

and the faith that he commands

D

I've got my finger on the trigger

G

But tonight faith just ain't enough

G D

When I look inside my heart,

A D

there's just devils and dust

D G

Well I've got god on my side

D

and I'm just tryin to survive

G

A

well if what you do to survive, kills the things you love

G

Fear's a dangerous thing,

D

it'll turn your heart black you can trust

G

it'll take your god filled soul,

A D

fill it with devils and dust

G

it'll take your god filled soul,

A D

fill it with devils and dust
