

## One By One - Calling, The

INTRO: Em D C (4x)

Em D7 C (4x)

Em D C  
He stands alone outside the blooming yards  
Em D C  
All is calm there on the street  
Em D C  
The shadows pass him hung right over  
Em D C  
The pain on his face he knew he'd keep...  
Em D C  
His hair is long, and it's twisted, it's twisted  
Em D C  
Around the smile spread cheek to cheek  
Em D C  
Another child, another soul, grabs a hold  
Em D C  
To the metal that will end his misery...

One by one

D Em  
We stand beneath the sun

C D  
With arms high open wide

G

Two by two

D  
He's getting you

Em C D  
To watch him as he leaves this life he knew

Em D C  
How much anger is set aside

Em D C  
As each one of us cries

Em D C  
Red light they come and they take him away

Em D C  
In the thoughts, he'll be better, some day...

Em D  
Tied tight, can't see out your eyes  
Csted

That he's sure to shine, sure to shine
