You make it right
         Bm
I feel so high
       G
I come alive
            D                   D
I need to be free with you tonight

And that's the reason you're in the dark
D
I've been a stranger ever since we fell apart
Bm              G
I feel so out of see
D
Watch my eyes are filled with fear
Bm                              G
Tell me do you feel the same
D
Hold me in your arms again
```

I need your love

Now I'm dreaming, will ever find you now?
D
I walk in circles but I'll never figure out
Bm                         G
What I mean to you, do I belong
D
I try to fight this but I know I'm not that strong
Bm                      G
And I feel so helplessly
D
Watch my eyes are filled with fear
Bm                            G
Tell me do you feel the same
D
Hold me in your arms again

      Bm
I need your love

You make it right
          Bm
I feel so high
        G
I come alive
            D                   D
I need to be free with you tonight

I need your love

Bm
```

```
All the years
All the times
You were never been to blame
D
And now my eyes are perfect
And now my heart is closing
Bm
And all the tears
All the lies
All the waste
I've been trying to make it change
D
And now my eyes are perfect
      Bm
I need your love
            G
I need your time
                  D
When everything's wrong
             D
You make it right
          Bm
I feel so high
        G
I come alive
            D                     D
I need to be free with you tonight
            Bm
I need your love
