```

repeat one more times before singing starts. Play this guitar 'line' through

the same chords on the song.

Am7                      Bm7  
Crazy creatures of our doom  
Am7                      Bm7  
Telling us there is no room.  
Am7                      Bm7  
Not enough for all mankind  
Am7                      Bm7  
And the seas of time are running dry.  
C                              Bm  
Don't they know it's a lie...

Em                              Am7  
Man is born with the will to survive,  
Bm7                              C  
He'll not take no for an answer.  
Em                              Am7  
He will get by, somehow he'll try,  
Bm7                              C                              Em  
He won't take no, never let go, no...

repeat twice the Am7 - Bm7 section and then:

I hear them talk about Kingdom Come,  
I hear them discuss Armageddon...  
They say the hour is getting late,  
But I can still hear someone say,  
This is not the way...

Man is born with the will to survive,  
He'll not take no for an answer.  
He will get by, somehow he'll try,  
He won't take no, never let go, no...

Organ solos (originally a melotron "flute" sound):
