

## Call Me Maybe - Carly Rae Jepsen

Cadd9  
I threw a wish in the well  
G  
Don't ask me, I'll never tell  
Em7  
I looked at you as it fell  
D                      Dsus4  
And now you're in my way

Cadd9  
I'd trade my soul for a wish  
G  
Pennies and dimes for a kiss  
Em7  
I wasn't looking for this  
D                      Dsus4  
But now you're in my way

Cadd9                                      G  
Your stare was holding, ripped jeans - skin was showin'  
Em7  
Hot night, wind was blowin'  
D                                      Dsus4  
Where you think you're going, baby?

Cadd9      G              D                                      Dsus4

Em7

You gave me nothing at all
