Got to get that message home

F C# G#

F# C# G#

And I'm not gonna stand and wait

F# C# G#
not gonna leave it until it's much too late

F# C# G#
On a platform, I'm gonna stand and say

F# C# G#
That I'm nothing on my own

F# C# G#
And I love you, please come home

My song is love, is love unknown

And I've got to get that message home
