

My Universe ft. BTS - Coldplay

G D
You, you are
A
My universe
G D A D
And I just want to put you first
G D
And you, you are
A
My universe
G D A D
And I

[Verse 1]

G D A
In the night I lie and look up at you
G D A
When the morning comes, I watch you rise
G D A
There's a paradise that couldn't capture
G D A
That bright infinity inside your eyes

G D
Sungana naraga

Never ending for ever, baby

[Chorus]

G D
You, you are
A
My universe
G D A D
And I just want to put you first
G D
And you, you are
A
My universe
G D A D
And you make my world light up inside

[Verse 2]

G D A
Odemi negen dapion eso ches

G D A
Piron chi guiron yaso geso

G D A
And they said that we can't be together

G D A
Because, because we come from different sides

[Chorus]

G D
 But you, you are
 A
 My universe
 G D A D
 And I just want to put you first
 G D
 And you, you are
 A
 My universe
 G D A
 And you make my world light up inside

G D A

My universe

G D A

My universe

G D A

My universe

G D A

You make my world light up inside
