All The Way - Craig David

Craig David - All The Way

[INTRO]
```
F
Oooo baby

Baby
      Em7
Ooo oh ohh yeah
                                F
Ooo you know about the after party

Oooo ooh
    Em7
Oh yeah

Alright
```

[VERSE 1]
```
F
If u know you gon' be hittin' the club tonight

F
Then you gotta make sure that your looking right

Em7
Gettin all dressed up (to the nines)

C2
With a fresh hair cut (and)

F
If your peeps intend on staying round yours tonight

F                                      Em7
You can jump into a cab theres no need to drive

Keep the glass filled up

C2
Don't feel no pressure

Coz tonight it's alright

F
And if your feeling lucky

F                             Em7
Might find yourself somebody tonight yeah
```

```
          C2
Gon' just set it off

Think it off

      F
Come step into the party

     F
The vibe is gon' be

         Em7
Waiting inside

                    C2
So just get onto the dance floor yeah

[CHORUS]

F
Stand up

Everybody

F
Get up now

Move your body

Em7
Straight up we're having a party

     C2
Coz tonight we're going all the way

F
Whatever

Hey that's cool with me

F
Pretty cool girl

Come chill with me

           Em7
We'll pull up to the after party

     C2
Coz tonight we're going all the way

[VERSE 2]
```

```
F
Now the Dj's on the mic and the crowd is hype

F                                             Em7
Everybody's out on the floor coz the vibe is right

                    C2
Ladies shaking it up (getting down)

                              F
Fellas with their hands up (and)

                                        F
You can tell this jam is straight off the hook tonight

                    Em7
And there aint nobody in looking to fight

                    C2
Tryna mess things up

Coz we all came here to party tonight...

F
You feel this parties started

    F                       Em7
Now everybody's out on the floor yeah

      C2
Just party on party on

    F
We all came here to party

    F                       Em7
The drinks don't stop till 6 in

                    C2
The morning (get onto the after party)

[CHORUS X2]

F
Stand up

Everybody

F
Get up now

Move your body
```

Em7
Straight up we're havinT tnnpym7

Em7e for sure girl)m7

```
    C2
Coz tonight we're going all the way

F
Whatever

Hey that's cool with me

F
Pretty cool girl

Come chill with me

          Em7
We'll pull up to the after party

    C2
Coz tonight we're going all the way
```
