

## Dreaming My Dreams - Cranberries

C            G            Am            F  
All the things you said to ....

C            G            Am            F  
Changed my ...

C            G            Am            F  
These things count ...

C            G            Am            F  
Into my faith you and ...

C            G  
It's out ...e

Am            F  
It's out ...

C            G  
It's out ...

Am            F  
If you want me ....

C            G            Am            F  
I'll be dreaming my ...

C            G            Am            F  
I'll be dreaming ...

C            G            Am            F  
And there's no other place that ...

C            G            Am            F  
dreaming my dreams ....
