

## Linger - Cranberries

D

if you

if you could return

A

don't let it burn don't let it fade

C

i'm sure i won't be rude

but it's just your attitude

G

it's tearing me apart it's ruining everyday.

I swore, I swore I would be true

but honey so did you

so why were you holding her hand

is that the way we stand

were you lying all the time

was it just a game to you

But 4aring you

you know I'm such a fool for you  
you got me wrapped around your finger  
do you have to let it linger  
do you have to  
do you have to  
do you have to let it linger

you know I'm such a fool for you  
you got me wrapped around your finger  
do you have to let it linger  
do you have to  
do you have to  
do you have to let it linger
