

## Inside Us All - Creed

1:

Em G D  
When I'm all alone and no one else is there  
Em  
Waiting by the phone, to remind me I'm still here  
G D  
When shadows paint the scenes, where spotlights used to fall  
C  
And I'm left wondering: Is it really worth it all?

Chorus:

G D C  
There's a peace inside us all, let it be your friend  
G D C  
It will help you carry on in the end  
G D  
There's a peace inside us all

Intro

2:

Em G D  
Life can hold you down when you're not looking up  
  
Can't you hear the sound?  
Em  
Hearts beating out loud  
G D  
Although the names change, inside we're all the same  
  
Why can't we tear down these walls?  
C  
To show the scars we're covering

Chorus

Solo: C; G; F#/D; F#/D  
C G F# D F# D  
There's a peace, oh, there's a peace inside us all  
C G F# D F# D  
Let it be oh, I said let it be, can't it be your friend?

Chorus

C

Outro:

G D F# D  
There's a peace inside us all, inside us all
