Instant Crush Ft.julian Casablancas - Daft Punk

```
F#
I didn't want to be the one to forget
Bbm
I thought of everything I'd never regret
G#
A little time with you is all that I get
F#
Thats all we need because it's all we can take

F#
One thing I never see the same when your 'round
Bbm
I dont believe in himhis lips on the ground
G#
I wanna take you to that place in the Roche
F#
But no one gives us any time anymore

F#
He ask me once if I'd look in on his dog
Bbm
You made an offer for it, then you ran off
G#
I got this picture of us kids in my head
F#
And all I hear is the last thing that you said

Bbm
"I listened to your problems

Now listen to mine"
G#
I didn't want to anymore, oh oh oh

[Chorus]

Bbm         Bbm  G#        F#
And we will never be alone again

F#          F#       Fm      D#m
'Cause it doesn't happen every day

D#              Bbm     F#
Kinda counted on you being a friend

( F G# Bb C C# D# )
Can I give it up or give it away

Bbm           Bbm   G#          F#
```

```
                     Now I thought about what I wanna say

F#          F#       Fm       D#m
But I never really know where to go

D#              Bbm      F#
So I chained myself to a friend

( F G# Bb C C# D# )
'Cause I know it unlocks like a door

Bbm          Bbm   G#         F#
And we will never be alone again

F#          F#       Fm       D#m
'Cause it doesn't happen every day

D#              Bbm      F#

D#              Bbm      F#
So I chained myself to a friend

( F G# Bb C C# D# )
Some more again

F#
It didn't matter what they wanted to see

Bbm
He thought he saw someone that looked just like me

G#
The summer memory that just never dies

F#
We worked too long and hard to give it no time

F#
He sees right through me, it's so easy with lies

Bbm
Cracks in the road that I would try and disguise
```

```
G#
He runs his scissor at the seem in the wall

F#
He cannot break it down or else he would fall

F#
One thousand lonely stars hiding in the cold

G#
Take it, I don't wanna sing anymore

Bbm
"I listened to your problems

Now listen to mine"
G#
I didn't want to anymore, oh oh oh

[Chorus]
Bbm          Bbm  G#        F#
