

## Amie - Damien Rice

C G  
Nothing Unusual Nothing Strange  
Am F  
Close to nothing at all  
Dm Am  
The same old scenario the same old rain  
F G  
And there's no explosions here  
C G  
Then something unusual something strange  
Am F  
Comes from nothing at all  
Dm Am  
I saw a spaceship fly by your window  
F G  
Did you see it dissapear  
Am F  
come sit on my wall  
G C  
And read me the story of O  
Dm Am  
And tell it like you still believe  
F  
That the end of the century  
G  
Brings a change for you and me  
C G  
Nothing unusual nothings changed  
Am F  
Just a little older thats all  
Dm  
You know when you've found it  
Am  
There's someting I've learned  
F G  
Cause you feel it when they take it away  
G G  
hey hey hey...  
C G  
Something unusual something strange  
Am F  
Comes from nothing at all  
Dm Am  
But I'm not a miracle and you are not a saint  
F G  
Just another soldier on a road to nowhere  
Am F  
come sit on my wall  
G C

And read me the story of O  
Dm Am  
And tell it like you still believe  
F  
That the end of the century  
G  
Brings a change for you and me
