

Spoon - Dave Matthews

Em D
in spoon
C E
Stirring my coffee
Am D

But on my way
Crack
Lightning and thunder
I hid my head
And the storm slipped away
Well maybe I'm crazy
And laughing out loud
Makes it all pass by
And maybe you're a little crazy
And laughing out loud
Makes it all alright
Laughing out loud
From time to time
Minutes and hours
Some move ahead while
Some lag behind
It's like the balloon that
Rise and then vanish
This drop of hope
That falls from his eyes
 in spoon
Stirring my coffee
I think of this
And turn to go away
But as I walk
There're voices behind me saying
Sinners sin
Come now and play
