

Skyscraper - Demi Lovato

G
Skies are crying
C
I am watching
Em D
Catching teardrops in my hands
G C Em D
Only silence, as it's ending, like we never had a chance
G C Em D
Do you have to, make me feel like there is nothing left of me?

G C
You can take everything I have
Em D
You can break everything I am
G C
Like I'm made of glass
Em D
Like I'm made of paper
G C
Go on and try to tear me down
Em D
I will be rising from the ground
G C
Like a skyscraper!
Em D
Like a skyscraper!

G
As the smoke clears
C Em D
I awaken, and untangle you from me
G C Em D
Would it make you, feel better to watch me while I bleed?
G C
All my windows, still are broken
Em D
But I'm standing on my feet

G C
You can take everything I have
Em D
You can break everything I am
G C
Like I'm made of glass
Em D
Like I'm made of paper
G C
Go on and try to tear me down

Em D
I will be rising from the ground
G C
Like a skyscraper!
Em D
Like a skyscraper!

G
Go run, run, run
C
I'm gonna stay right here
Em D
Watch you disappear, yeah
